**FAB1255C**

Follistatin-related Gene Protein/FLRG/Fstl3 Antibody (210725) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.5 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 210725                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                      |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                                                                  |
| Gene ID                 | 10272                                                                                                                                                                |
| Gene Symbol             | FSTL3                                                                                                                                                                |
| Species                 | Mouse                                                                                                                                                                |
| Specificity/Sensitivity | Detects mouse FLRG in direct ELISAs and Western blots. In direct ELISAs and Western blots, this antibody shows 50-100% cross-reactivity with recombinant human FLRG. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant mouse FLRG<br>Val24-Val256<br>Accession # Q9EQC7                                                                     |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
