Calcineurin B Antibody (212306) [Allophycocyanin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 212306                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | Allophycocyanin                                                                             |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                              |
|-------------------------|----------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                        |
| Gene ID                 | 5534                                                                                         |
| Gene Symbol             | PPP3R1                                                                                       |
| Species                 | Human, Mouse, Rat                                                                            |
| Specificity/Sensitivity | Detects endogenous human, mouse, and rat Calcineurin B.                                      |
| Immunogen               | <i>E. coli</i> -derived recombinant human Calcineurin B<br>Met1-Val170<br>Accession # P63098 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
