| Gene ID                     | 27329                                                                                                                                                                                                                                                                                             |
| Gene Symbol                 | ANGPTL3                                                                                                                                                                                                                                                                                           |
| Species                     | Mouse                                                                                                                                                                                                                                                                                             |
| Specificity/Sensitivity     | Detects mouse Angiopoietin-like 3 in direct ELISAs and Western blots. In direct ELISAs, this antibody does not cross-react with recombinant human (rh) Angiopoietin-1, rhAngiopoietin-2, rhAngiopoietin-4, rmAngiopoietin-3, and cornea-derived transcript 6 (CDT6), an Angiopoietin-like factor. |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant mouse Angiopoietin-like 3<br>Ser17-Thr455<br>Accession # Q9R182                                                                                                                                                           |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                                                                 |
| Product Application Details |                                                                                                                                                                                                                                                                                                   |
| Applications                | Western Blot                                                                                                                                                                                                                                                                                      |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                                            |
