| Gene Symbol             | ANGPTL3                                                                                                                                                                                                                                                                                           |
| Species                 | Mouse                                                                                                                                                                                                                                                                                             |
| Specificity/Sensitivity | Detects mouse Angiopoietin-like 3 in direct ELISAs and Western blots. In direct ELISAs, this antibody does not cross-react with recombinant human (rh) Angiopoietin-1, rhAngiopoietin-2, rhAngiopoietin-4, rmAngiopoietin-3, and cornea-derived transcript 6 (CDT6), an Angiopoietin-like factor. |
| Immunogen               | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant mouse Angiopoietin-like 3<br>Ser17-Thr455<br>Accession # Q9R182                                                                                                                                                           |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                                                                                             |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
