**FAB13992A**

IL-17E/IL-25 Antibody (881014) [Allophycocyanin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 881014                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | Allophycocyanin                                                                             |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                     |
|-------------------------|---------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                 |
| Gene ID                 | 64806                                                                                                               |
| Gene Symbol             | IL25                                                                                                                |
| Species                 | Mouse                                                                                                               |
| Specificity/Sensitivity | Detects mouse IL $\square$ 17E/IL $\square$ 25 in ELISAs.                                                           |
| Immunogen               | <i>E. coli</i> -derived recombinant mouse IL $\square$ 17E/IL $\square$ 25<br>Tyr17-Ala169<br>Accession # NP_542767 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Neutralization                                                         |
| Recommended Dilutions       | Neutralization                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
