STAT1 Antibody (246523) [DvLight 550]

| 51A11 Antibody (246523) [DyLight 550] |  |
|---------------------------------------|--|
| Product Information                   |  |
| Unit Size                             | 0.1 ml   |
| Concentration                         | Please see the vial label for concentration. If unlisted please contact technical services.          |
| Storage                               | Store at 4C in the dark.   |
| Clonality                             | Monoclonal   |
| Clone                                 | 246523   |
| Preservative                          | 0.05% Sodium Azide   |
| Isotype                               | lgG2b  |
| Conjugate                             | DyLight 550  |
| Purity                                | Protein A or G purified from hybridoma culture supernatant   |
| Buffer                                | 50mM Sodium Borate   |
| Product Description                   |  |
| Host                                  | Rat  |
| Gene ID                               | 6772   |
| Gene Symbol                           | STAT1  |
| Specificity/Sensitivity               | Detects human STAT1. Detects recombinant human STAT1 transfectants but not irrelevant transfectants. |
| Immunogen                             | E. coli-derived recombinant human STAT1 Met1-Gln194 Accession # P42224                               |
| Notes                                 | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                    |
| Product Application Details           |  |
| Recommended Dilutions                 | Intracellular Staining by Flow Cytometry, Immunocytochemistry, CyTOF-ready                           |
| Application Notes                     | Optimal dilution of this antibody should be experimentally determined                                |

| <b>Product Application Details</b> |  |
