| Clone                       | 218311                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                |
| Isotype                     | IgG2a                                                                                                                                             |
| Conjugate                   | Allophycocyanin                                                                                                                                   |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                        |
| Buffer                      | PBS                                                                                                                                               |
| Product Description         |                                                                                                                                                   |
| Host                        | Rat                                                                                                                                               |
| Gene ID                     | 126014                                                                                                                                            |
| Gene Symbol                 | OSCAR                                                                                                                                             |
| Species                     | Mouse                                                                                                                                             |
| Specificity/Sensitivity     | Detects mouse OSCAR in direct ELISAs and Western blots. In Western blots, this antibody shows weak cross-reactivity with recombinant human OSCAR. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse OSCAR<br>Asp19-Asn228<br>Accession # Q8VBT3                                                 |
| Product Application Details |                                                                                                                                                   |
| Applications                | Western Blot                                                                                                                                      |
| Recommended Dilutions       | Western Blot                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                            |
