CD5 Antibody (205919) [DyLight 405]

| Product Information         |                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.5 ml                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                     | Store at 4C in the dark.                                                                     |
| Clonality                   | Monoclonal                                                                                   |
| Clone                       | 205919                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                           |
| Isotype                     | IgG2a                                                                                        |
| Conjugate                   | DyLight 405                                                                                  |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                   |
| Buffer                      | 50mM Sodium Borate                                                                           |
| Product Description         |                                                                                              |
| Host                        | Mouse                                                                                        |
| Gene ID                     | 921                                                                                          |
| Gene Symbol                 | CD5                                                                                          |
| Reactivity Notes            | 0                                                                                            |
| Specificity/Sensitivity     | Detects human CD5 in direct ELISAs and Western blots.                                        |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human CD5 Arg25-Asn371<br>Accession # P06127 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.            |
| Product Application Details |                                                                                              |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                       |
