**FAB1695A**

CRTAM Antibody (210206) [Allophycocyanin]

| Product Information         |                                                                                                                                                             |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.5 ml                                                                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                 |
| Storage                     | Store at 4C in the dark.                                                                                                                                    |
| Clonality                   | Monoclonal                                                                                                                                                  |
| Clone                       | 210206                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                          |
| Isotype                     | IgG1                                                                                                                                                        |
| Conjugate                   | Allophycocyanin                                                                                                                                             |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                  |
| Buffer                      | PBS                                                                                                                                                         |
| Product Description         |                                                                                                                                                             |
| Host                        | Mouse                                                                                                                                                       |
| Gene ID                     | 56253                                                                                                                                                       |
| Gene Symbol                 | CRTAM                                                                                                                                                       |
| Species                     | Human                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human CRTAM in direct ELISAs and Western blots. In direct ELISAs and Western blots, 100% cross-reactivity with recombinant mouse CRTAM is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human CRTAM<br>Ser18-Ser286<br>Accession # O95727                                                           |
| Product Application Details |                                                                                                                                                             |
| Applications                | Western Blot                                                                                                                                                |
| Recommended Dilutions       | Western Blot                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                      |
