C-Reactive Protein/CRP Antibody (233502) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.5 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 233502                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                                                                           |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                                                     |
| Gene ID                 | 1401                                                                                                                                                                                                      |
| Gene Symbol             | CRP                                                                                                                                                                                                       |
| Species                 | Rat                                                                                                                                                                                                       |
| Specificity/Sensitivity | Detects rat CRP in direct ELISAs and Western blots. In direct ELISAs and Western blots, this antibody does not cross-react with recombinant human CRP, recombinant mouse CRP, or recombinant porcine CRP. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant rat CRP<br>His20-Ser230<br>Accession # P48199                                                                                                             |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                         |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
