| Clone                       | 250802                                                                                                                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                        |
| Isotype                     | IgG2a                                                                                                                                                                                                                                     |
| Conjugate                   | PE                                                                                                                                                                                                                                        |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                                                                |
| Buffer                      | PBS                                                                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                                                           |
| Host                        | Mouse                                                                                                                                                                                                                                     |
| Gene ID                     | 5068                                                                                                                                                                                                                                      |
| Gene Symbol                 | REG3A                                                                                                                                                                                                                                     |
| Species                     | Rat                                                                                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects rat Reg3A in direct ELISAs and Western blots. In these formats, shows 100% cross-reactivity with recombinant mouse (rm) Reg3A and no cross-reactivity with rmReg1, recombinant human (rh) Reg1B, recombinant rat Reg2, or rhReg4. |
| Immunogen                   | <i>E. coli</i> -derived recombinant rat Reg3A<br>Glu26-Gln174<br>Accession # NP_742074                                                                                                                                                    |
| Product Application Details |                                                                                                                                                                                                                                           |
| Applications                | Western Blot                                                                                                                                                                                                                              |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                    |
