| Clonality                   | Monoclonal                                                                                                                                                                                 |
| Clone                       | 165609                                                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                         |
| Isotype                     | IgG1                                                                                                                                                                                       |
| Conjugate                   | DyLight 650                                                                                                                                                                                |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                            |
| Host                        | Mouse                                                                                                                                                                                      |
| Gene ID                     | 23495                                                                                                                                                                                      |
| Gene Symbol                 | TNFRSF13B                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                      |
| Specificity/Sensitivity     | Detects human TACI/TNFRSF13B in ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant mouse TACI or recombinant human BCMA is observed.       |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human TACI/TNFRSF13B Ser2-Thr166<br>Accession # O14836                                                                                     |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                          |
| Product Application Details |                                                                                                                                                                                            |
| Applications                | Western Blot, Immunohistochemistry, Blockade of Receptor-ligand Interaction, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair) |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Blockade of Receptor-ligand Interaction, ELISA Standard (Matched Pair), ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair) |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                     |
