**FAB1860H**

Amnionless/AMN Antibody (260808) [HRP]

| Product Information         |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.            |
| Storage                     | Store at 4C in the dark.                                                                               |
| Clonality                   | Monoclonal                                                                                             |
| Clone                       | 260808                                                                                                 |
| Preservative                | No Preservative                                                                                        |
| Isotype                     | IgG1                                                                                                   |
| Conjugate                   | HRP                                                                                                    |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                             |
| Buffer                      | PBS                                                                                                    |
| Product Description         |                                                                                                        |
| Host                        | Mouse                                                                                                  |
| Gene ID                     | 81693                                                                                                  |
| Gene Symbol                 | AMN                                                                                                    |
| Species                     | Human                                                                                                  |
| Specificity/Sensitivity     | Detects human Amnionless in direct ELISAs and Western blots.                                           |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Amnionless Val20-Ala358<br>Accession # NP_112205 |
| Product Application Details |                                                                                                        |
| Applications                | Western Blot                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                 |
