CD151 Antibody (210127) [Biotin]

| Product Information         |                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.5 ml                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                     | Store at 4C in the dark.                                                                     |
| Clonality                   | Monoclonal                                                                                   |
| Clone                       | 210127                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                           |
| Isotype                     | IgG2b                                                                                        |
| Conjugate                   | Biotin                                                                                       |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                   |
| Buffer                      | PBS                                                                                          |
| Product Description         |                                                                                              |
| Host                        | Mouse                                                                                        |
| Gene ID                     | 977                                                                                          |
| Gene Symbol                 | CD151                                                                                        |
| Specificity/Sensitivity     | Detects human CD151.                                                                         |
| Immunogen                   | NS0 mouse myeloma cell line transfected with human CD151 Met1-Tyr253<br>Accession # BAA06229 |
| Product Application Details |                                                                                              |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                       |
