| Gene ID                     | 950                                                                                                                                                                                                                                            |
| Gene Symbol                 | SCARB2                                                                                                                                                                                                                                         |
| Species                     | Mouse                                                                                                                                                                                                                                          |
| Specificity/Sensitivity     | Detects mouse LIMPII/SR-B2 in direct ELISAs and Western blots. In direct ELISAs, approximately 10% cross-reactivity with recombinant human (rh) LIMPII is observed and no cross-reactivity with rhCD36 or recombinant mouse SR-B1 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse LIMPII/SR-B2 Arg27-Thr432<br>Accession # O35114                                                                                                                                          |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                              |
| Product Application Details |                                                                                                                                                                                                                                                |
| Applications                | Western Blot                                                                                                                                                                                                                                   |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                         |
