| <b>Isotype</b>                     | IgG1                                                                                                                                                                                                                                           |
| <b>Conjugate</b>                   | HRP                                                                                                                                                                                                                                            |
| <b>Purity</b>                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                                                                     |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                                                                            |
| <b>Product Description</b>         |                                                                                                                                                                                                                                                |
| <b>Host</b>                        | Rat                                                                                                                                                                                                                                            |
| <b>Gene ID</b>                     | 950                                                                                                                                                                                                                                            |
| <b>Gene Symbol</b>                 | SCARB2                                                                                                                                                                                                                                         |
| <b>Species</b>                     | Mouse                                                                                                                                                                                                                                          |
| <b>Specificity/Sensitivity</b>     | Detects mouse LIMPII/SR-B2 in direct ELISAs and Western blots. In direct ELISAs, approximately 10% cross-reactivity with recombinant human (rh) LIMPII is observed and no cross-reactivity with rhCD36 or recombinant mouse SR-B1 is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant mouse LIMPII/SR-B2<br>Arg27-Thr432<br>Accession # O35114                                                                                                                                       |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                |
| <b>Applications</b>                | Western Blot                                                                                                                                                                                                                                   |
| <b>Recommended Dilutions</b>       | Western Blot                                                                                                                                                                                                                                   |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                         |
