**FAB1894M**

SHP-2/PTPN11 Antibody (255509) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.2 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 255509                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                                   |
| Gene ID                 | 5781                                                                                                                                  |
| Gene Symbol             | PTPN11                                                                                                                                |
| Species                 | Human, Mouse, Rat                                                                                                                     |
| Specificity/Sensitivity | Detects human, mouse, and rat SHP-2 in Western blots. In Western blots, no cross-reactivity with recombinant human SHP-1 is observed. |
| Immunogen               | <i>E. coli</i> -derived recombinant human SHP-2<br>Thr2-Arg593<br>Accession # NP_002825                                               |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                     |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Knockout Validated                                       |
| Recommended Dilutions       | Western Blot, Knockout Validated                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
