**FAB19073A**

BLAME/SLAMF8 Antibody (250020) [Allophycocyanin]

| Product Information         |                                                                                                               |
|-----------------------------|---------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.5 ml                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                   |
| Storage                     | Store at 4C in the dark.                                                                                      |
| Clonality                   | Monoclonal                                                                                                    |
| Clone                       | 250020                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                            |
| Isotype                     | IgG2a                                                                                                         |
| Conjugate                   | Allophycocyanin                                                                                               |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                    |
| Buffer                      | PBS                                                                                                           |
| Product Description         |                                                                                                               |
| Host                        | Mouse                                                                                                         |
| Gene ID                     | 56833                                                                                                         |
| Gene Symbol                 | SLAMF8                                                                                                        |
| Species                     | Human                                                                                                         |
| Specificity/Sensitivity     | Detects recombinant human BLAME in ELISAs.                                                                    |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human BLAME/SLAMF8 Ala23-Asp233<br>Accession # Q9P0V8         |
| Product Application Details |                                                                                                               |
| Applications                | ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair) |
| Recommended Dilutions       | ELISA Standard (Matched Pair), ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair) |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                        |
