**FAB1948P**

Pentraxin 2/SAP Antibody (910119) [PE]

| Product Information         |                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.              |
| Storage                     | Store at 4C in the dark.                                                                                 |
| Clonality                   | Monoclonal                                                                                               |
| Clone                       | 910119                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                       |
| Isotype                     | IgG2b                                                                                                    |
| Conjugate                   | PE                                                                                                       |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                               |
| Buffer                      | PBS                                                                                                      |
| Product Description         |                                                                                                          |
| Host                        | Mouse                                                                                                    |
| Gene ID                     | 325                                                                                                      |
| Gene Symbol                 | APCS                                                                                                     |
| Species                     | Human                                                                                                    |
| Specificity/Sensitivity     | Detects human Pentraxin 2/SAP in ELISA and Western Blot.                                                 |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Pentraxin 2/SAP His20-Val233<br>Accession # P02743 |
| Product Application Details |                                                                                                          |
| Applications                | Western Blot                                                                                             |
| Recommended Dilutions       | Western Blot                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                   |
