Marapsin/Pancreasin Antibody (246406) [Janelia Fluor® 549]

| Product Information         |                                                                                                                                                                               |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.5 ml                                                                                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                   |
| Storage                     | Store at 4C in the dark.                                                                                                                                                      |
| Clonality                   | Monoclonal                                                                                                                                                                    |
| Clone                       | 246406                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                            |
| Isotype                     | IgG2b                                                                                                                                                                         |
| Conjugate                   | Janelia Fluor 549                                                                                                                                                             |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                            |
| Product Description         |                                                                                                                                                                               |
| Host                        | Rat                                                                                                                                                                           |
| Gene ID                     | 83886                                                                                                                                                                         |
| Gene Symbol                 | PRSS27                                                                                                                                                                        |
| Species                     | Mouse                                                                                                                                                                         |
| Specificity/Sensitivity     | Detects mouse Marapsin in ELISAs. In sandwich immunoassays, no cross-reactivity or interference with recombinant human Marapsin or recombinant mouse Proastasin was observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Marapsin/Pancreasin Ala23-Thr290<br>Accession # Q8BJR6                                                                  |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                         |
| Product Application Details |                                                                                                                                                                               |
| Applications                | ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair)                                                                 |
| Recommended Dilutions       | ELISA Standard (Matched Pair), ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair)                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                        |
