FCRL1/FcRH1 Antibody (282420) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 282420                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                          |
| Gene ID                 | 115350                                                                                                                                                         |
| Gene Symbol             | FCRL1                                                                                                                                                          |
| Species                 | Human                                                                                                                                                          |
| Specificity/Sensitivity | Detects human FCRL1/FcRH1 in direct ELISAs and Western blots. In direct ELISAs, no cross-reactivity with recombinant human (rh) FCRL2, 3, 4, or 5 is observed. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant human FCRL1/FcRH1 Ala17-His304 (predicted)<br>Accession # Q96LA6                                               |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
