Semaphorin 7A Antibody (310829) [DyLight 405]

| Product Information         |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.            |
| Storage                     | Store at 4C in the dark.                                                                               |
| Clonality                   | Monoclonal                                                                                             |
| Clone                       | 310829                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                     |
| Isotype                     | IgG2b                                                                                                  |
| Conjugate                   | DyLight 405                                                                                            |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                             |
| Buffer                      | 50mM Sodium Borate                                                                                     |
| Product Description         |                                                                                                        |
| Host                        | Mouse                                                                                                  |
| Gene ID                     | 8482                                                                                                   |
| Gene Symbol                 | SEMA7A                                                                                                 |
| Specificity/Sensitivity     | Detects human Semaphorin 7A in direct ELISAs.                                                          |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Semaphorin 7A His47-Ala648<br>Accession # O75326 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                      |
| Product Application Details |                                                                                                        |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                 |
