| Clonality                   | Monoclonal                                                                                                                                                                                        |
| Clone                       | 273617                                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                |
| Isotype                     | IgG2b                                                                                                                                                                                             |
| Conjugate                   | DyLight 755                                                                                                                                                                                       |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                   |
| Host                        | Mouse                                                                                                                                                                                             |
| Gene ID                     | 347902                                                                                                                                                                                            |
| Gene Symbol                 | AMIGO2                                                                                                                                                                                            |
| Species                     | Human                                                                                                                                                                                             |
| Specificity/Sensitivity     | Detects recombinant human AMIGO2 in direct ELISAs and Western blots. In Western blots, no cross-reactivity with recombinant human AMIGO1, recombinant mouse (rm) AMIGO2, or rmAMIGO3 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human AMIGO2 Gly39-Ala392<br>Accession # Q86SJ2                                                                                                   |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                 |
| Product Application Details |                                                                                                                                                                                                   |
| Applications                | Western Blot                                                                                                                                                                                      |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                            |
