Pentraxin 3/TSG-14 Antibody (265629) [FITC]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 265629                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | FITC                                                                                        |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                                                 |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                                                                                             |
| Gene ID                 | 5806                                                                                                                                                                                            |
| Gene Symbol             | PTX3                                                                                                                                                                                            |
| Species                 | Mouse                                                                                                                                                                                           |
| Specificity/Sensitivity | Detects mouse Pentraxin 3/TSG-14 in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 40-100% cross-reactivity with recombinant human Pentraxin 3 is observed. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant mouse Pentraxin 3/TSG-14 Glu18-Ser381<br>Accession # P48759                                                                                     |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
