IL-10 Antibody (25209R) [HRP]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | 25209R                                                                                      |
| Preservative                | No Preservative                                                                             |
| Isotype                     | IgG2b                                                                                       |
| Conjugate                   | HRP                                                                                         |
| Purity                      | Protein A or G purified from cell culture supernatant                                       |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 3586                                                                                        |
| Species                     | Human                                                                                       |
| Specificity/Sensitivity     | Detects human IL-10 in direct ELISAs.                                                       |
| Immunogen                   | <i>E. coli</i> -derived recombinant human IL-10<br>Leu29-Ala216<br>Accession # P22301       |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Neutralization                                                                |
| Recommended Dilutions       | Western Blot, Neutralization                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
