VLDLR Antibody (268724) [Allophycocyanin]

| Product Information         |                                                                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                  |
| Storage                     | Store at 4C in the dark.                                                                                                                     |
| Clonality                   | Monoclonal                                                                                                                                   |
| Clone                       | 268724                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                           |
| Isotype                     | IgG2b                                                                                                                                        |
| Conjugate                   | Allophycocyanin                                                                                                                              |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                   |
| Buffer                      | PBS                                                                                                                                          |
| Product Description         |                                                                                                                                              |
| Host                        | Rat                                                                                                                                          |
| Gene ID                     | 7436                                                                                                                                         |
| Gene Symbol                 | VLDLR                                                                                                                                        |
| Species                     | Mouse                                                                                                                                        |
| Specificity/Sensitivity     | Detects mouse VLDL R in direct ELISAs and Western blots. In Western blots, this antibody does not cross-react with recombinant human ApoER2. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse VLDL R<br>Thr25-Ala798<br>Accession # P98156                                           |
| Product Application Details |                                                                                                                                              |
| Applications                | Western Blot                                                                                                                                 |
| Recommended Dilutions       | Western Blot                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                       |
