CD69 Antibody (298633) [PerCP]

| Product Information         |                                                                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                             |
| Storage                     | Store at 4C in the dark.                                                                                                                                |
| Clonality                   | Monoclonal                                                                                                                                              |
| Clone                       | 298633                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                      |
| Isotype                     | IgG2a                                                                                                                                                   |
| Conjugate                   | PerCP                                                                                                                                                   |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                              |
| Buffer                      | PBS                                                                                                                                                     |
| Product Description         |                                                                                                                                                         |
| Host                        | Mouse                                                                                                                                                   |
| Gene ID                     | 969                                                                                                                                                     |
| Gene Symbol                 | CD69                                                                                                                                                    |
| Species                     | Human                                                                                                                                                   |
| Specificity/Sensitivity     | Detects human CD69 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant mouse CD69 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human CD69<br>Gly64-Lys199<br>Accession # Q07108                                                        |
| Product Application Details |                                                                                                                                                         |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                       |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                  |
