DPP6 Antibody (274311) [Janelia Fluor® 669]

| Product Information         |                                                                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                 |
| Storage                     | Store at 4C in the dark.                                                                                                                    |
| Clonality                   | Monoclonal                                                                                                                                  |
| Clone                       | 274311                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                          |
| Isotype                     | IgG1                                                                                                                                        |
| Conjugate                   | Janelia Fluor 669                                                                                                                           |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                          |
| Product Description         |                                                                                                                                             |
| Host                        | Mouse                                                                                                                                       |
| Gene ID                     | 1804                                                                                                                                        |
| Gene Symbol                 | DPP6                                                                                                                                        |
| Species                     | Human                                                                                                                                       |
| Specificity/Sensitivity     | Detects human DPP6 in direct ELISAs and Western blots. In direct ELISAs, no cross-reactivity with recombinant human DPPIV/CD26 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human DPP6<br>Thr118-Asp865<br>Accession # P42658                                           |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                       |
| Product Application Details |                                                                                                                                             |
| Applications                | Western Blot, Immunoprecipitation                                                                                                           |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                      |
