| Clonality                   | Monoclonal                                                                                                                                                                                  |
| Clone                       | 296628                                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                          |
| Isotype                     | IgG2a                                                                                                                                                                                       |
| Conjugate                   | Janelia Fluor 525                                                                                                                                                                           |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                                             |
| Host                        | Mouse                                                                                                                                                                                       |
| Gene ID                     | 2896                                                                                                                                                                                        |
| Gene Symbol                 | GRN                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects recombinant human Progranulin/PGRN in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant mouse Progranulin/PGRN is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Progranulin/PGRN Thr18-Leu593<br>Accession # P28799                                                                                   |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                       |
| Product Application Details |                                                                                                                                                                                             |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                           |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                      |
