MOG Antibody (296829) [PerCP]

| Product Information         |                                                                                                 |
|-----------------------------|-------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.     |
| Storage                     | Store at 4C in the dark.                                                                        |
| Clonality                   | Monoclonal                                                                                      |
| Clone                       | 296829                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                              |
| Isotype                     | IgG2b                                                                                           |
| Conjugate                   | PerCP                                                                                           |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                      |
| Buffer                      | PBS                                                                                             |
| Product Description         |                                                                                                 |
| Host                        | Rat                                                                                             |
| Gene ID                     | 4340                                                                                            |
| Gene Symbol                 | MOG                                                                                             |
| Species                     | Human, Mouse                                                                                    |
| Specificity/Sensitivity     | Detects human and mouse MOG in direct ELISAs and Western blots.                                 |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse MOG<br>Gly29-Gly153<br>Accession # Q61885 |
| Product Application Details |                                                                                                 |
| Applications                | Western Blot                                                                                    |
| Recommended Dilutions       | Western Blot                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                          |
