**FAB2448M**

Chordin-like 2/CHRD2 Antibody (272919) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 272919                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                     |
|-------------------------|---------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                               |
| Gene ID                 | 25884                                                                                                               |
| Gene Symbol             | CHRD2                                                                                                               |
| Species                 | Human                                                                                                               |
| Specificity/Sensitivity | Detects human Chordin-like 2/CHRD2 in direct ELISAs and Western blots.                                              |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant human Chordin-like 2/CHRD2<br>Arg28-Thr451<br>Accession # NP_056239 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                   |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunoprecipitation                                      |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
