**FAB2530JF525**

CD155/PVR Antibody (300903) [Janelia Fluor® 525]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 300903                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Janelia Fluor 525                                                                           |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                      |
|-------------------------|------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                |
| Gene ID                 | 5817                                                                                                 |
| Gene Symbol             | PVR                                                                                                  |
| Species                 | Human                                                                                                |
| Specificity/Sensitivity | Detects human CD155/PVR in direct ELISAs and Western blots.                                          |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant human CD155/PVR Gly27-Asn343<br>Accession # ABM85069 |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
