**FAB25491A****Laminin-1 Antibody (AL-3) [Allophycocyanin]**

| <b>Product Information</b> |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 0.1 ml                                                                                      |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>           | Monoclonal                                                                                  |
| <b>Clone</b>               | AL-3                                                                                        |
| <b>Preservative</b>        | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>             | IgG1                                                                                        |
| <b>Conjugate</b>           | Allophycocyanin                                                                             |
| <b>Purity</b>              | Protein A or G purified from hybridoma culture supernatant                                  |
| <b>Buffer</b>              | PBS                                                                                         |

| <b>Product Description</b>     |                                                                                                                 |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------|
| <b>Host</b>                    | Rat                                                                                                             |
| <b>Gene ID</b>                 | 284217                                                                                                          |
| <b>Species</b>                 | Mouse                                                                                                           |
| <b>Specificity/Sensitivity</b> | Detects mouse Laminin $\alpha$ 1 in Western blots. This antibody reacts with mouse Laminin-1 $\beta$ chain (1). |
| <b>Immunogen</b>               | Purified fragment of chymotrypsin-digested mouse EHS tumor-derived Laminin-1                                    |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>                | Western Blot, Immunohistochemistry                                     |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry                                     |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined. |
