**FAB25572H**

Progranulin/PGRN Antibody (333729R) [HRP]

| Product Information         |                                                                                                           |
|-----------------------------|-----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.               |
| Storage                     | Store at 4C in the dark.                                                                                  |
| Clonality                   | Monoclonal                                                                                                |
| Clone                       | 333729R                                                                                                   |
| Preservative                | No Preservative                                                                                           |
| Isotype                     | IgG2a                                                                                                     |
| Conjugate                   | HRP                                                                                                       |
| Purity                      | Protein A or G purified from cell culture supernatant                                                     |
| Buffer                      | PBS                                                                                                       |
| Product Description         |                                                                                                           |
| Host                        | Rat                                                                                                       |
| Gene ID                     | 2896                                                                                                      |
| Species                     | Mouse                                                                                                     |
| Specificity/Sensitivity     | Detects mouse Progranulin/PGRN in direct ELISAs.                                                          |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Progranulin/PGRN Thr18-Leu589<br>Accession # P28798 |
| Product Application Details |                                                                                                           |
| Applications                | ELISA                                                                                                     |
| Recommended Dilutions       | ELISA                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                    |
