Stella/Dppa3 Antibody (283910) [FITC]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | 283910                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG2a                                                                                       |
| Conjugate                   | FITC                                                                                        |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Rat                                                                                         |
| Gene ID                     | 359787                                                                                      |
| Gene Symbol                 | DPPA3                                                                                       |
| Species                     | Mouse                                                                                       |
| Specificity/Sensitivity     | Detects mouse Stella/Dppa3 in direct ELISAs and Western blots.                              |
| Immunogen                   | <i>E. coli</i> -derived recombinant mouse Stella/Dppa3<br>Met1-Asn150<br>Accession # Q8QZY3 |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Immunocytochemistry                                                           |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
