FGF-9 Antibody (36912) [Janelia Fluor® 646]

| Product Information         |                                                                                                                                                                                        |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                            |
| Storage                     | Store at 4C in the dark.                                                                                                                                                               |
| Clonality                   | Monoclonal                                                                                                                                                                             |
| Clone                       | 36912                                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                     |
| Isotype                     | IgG2a                                                                                                                                                                                  |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                                      |
| Purity                      | Protein A or G purified from ascites                                                                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                        |
| Host                        | Mouse                                                                                                                                                                                  |
| Gene ID                     | 2254                                                                                                                                                                                   |
| Gene Symbol                 | FGF9                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human FGF-9 in ELISAs. In sandwich immunoassays, no cross-reactivity or interference with recombinant human (rh) FGF-4, 5, 6, 7, 16, rhFGF acidic, or rhFGF basic is observed. |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant human FGF-9 Met1-Ser208<br>Accession # P31371                                                                  |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                  |
| Product Application Details |                                                                                                                                                                                        |
| Applications                | ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair), Neutralization                                                          |
| Recommended Dilutions       | ELISA Standard (Matched Pair), Neutralization, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair)                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                 |
