**FAB2754H**

PIR-B Antibody (326414) [HRP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 326414                                                                                      |
| Preservative        | No Preservative                                                                             |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | HRP                                                                                         |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                            |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                                        |
| Gene ID                 | 11025                                                                                                                                      |
| Gene Symbol             | Pirb                                                                                                                                       |
| Species                 | Mouse                                                                                                                                      |
| Specificity/Sensitivity | Detects mouse PIR-B in direct ELISAs and Western blots. In Western blots, this antibody does not cross-react with recombinant mouse PIR□A. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant mouse PIR-B<br>Gly24-Gly635<br>Accession # AAH26937                                        |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready                              |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
