| Clonality                   | Monoclonal                                                                                                                                                           |
| Clone                       | 372018                                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                   |
| Isotype                     | IgG2b                                                                                                                                                                |
| Conjugate                   | PE                                                                                                                                                                   |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                      |
| Host                        | Rat                                                                                                                                                                  |
| Gene ID                     | 10447                                                                                                                                                                |
| Gene Symbol                 | FAM3C                                                                                                                                                                |
| Species                     | Mouse                                                                                                                                                                |
| Specificity/Sensitivity     | Detects mouse FAM3C in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant mouse FAM3A, 3B, or 3D is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse FAM3C<br>Gln25-Asp227<br>Accession # Q91VU0                                                                    |
| Product Application Details |                                                                                                                                                                      |
| Applications                | Western Blot                                                                                                                                                         |
| Recommended Dilutions       | Western Blot                                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                               |
