Meprin beta Subunit/MEP1B Antibody (289731) [PerCP]

| Product Information         |                                                                                                                                      |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                          |
| Storage                     | Store at 4C in the dark.                                                                                                             |
| Clonality                   | Monoclonal                                                                                                                           |
| Clone                       | 289731                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                   |
| Isotype                     | IgG1                                                                                                                                 |
| Conjugate                   | PerCP                                                                                                                                |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                           |
| Buffer                      | PBS                                                                                                                                  |
| Product Description         |                                                                                                                                      |
| Host                        | Rat                                                                                                                                  |
| Gene ID                     | 4225                                                                                                                                 |
| Gene Symbol                 | MEP1B                                                                                                                                |
| Species                     | Human, Mouse                                                                                                                         |
| Specificity/Sensitivity     | Detects the pro form of human or mouse Meprin $\beta$ Subunit/MEP1B in Western blots. It does not react with the mature form.        |
| Immunogen                   | Human embryonic kidney cell line HEK293-derived recombinant human Meprin $\beta$ Subunit/MEP1B<br>Thr23-Ser293<br>Accession # Q16820 |
| Product Application Details |                                                                                                                                      |
| Applications                | Western Blot, Immunohistochemistry                                                                                                   |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                               |
