MIF Antibody (12302) [Janelia Fluor® 669]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 12302                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Janelia Fluor 669                                                                           |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                          |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                    |
| Gene ID                 | 4282                                                                                                                                     |
| Gene Symbol             | MIF                                                                                                                                      |
| Species                 | Human                                                                                                                                    |
| Specificity/Sensitivity | Detects human MIF in Western blots. In Western blots, this antibody shows approximately 25% cross-reactivity with recombinant mouse MIF. |
| Immunogen               | <i>E. coli</i> -derived recombinant human MIF<br>Pro2-Ala115<br>Accession # P14174                                                       |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                    |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
