| Host                        | Mouse                                                                                                                                                                                                                                      |
| Gene ID                     | 3001                                                                                                                                                                                                                                       |
| Gene Symbol                 | GZMA                                                                                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                                                                                      |
| Specificity/Sensitivity     | Detects human Granzyme A in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human (rh) Granzyme B, rhGranzyme H, recombinant mouse (rm) Granzyme D, or rmGranzyme G is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Granzyme A Cys26-Val262<br>Accession # P12544                                                                                                                                        |
| Product Application Details |                                                                                                                                                                                                                                            |
| Applications                | Western Blot                                                                                                                                                                                                                               |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                     |
