BMP-15/GDF-9B Antibody (317809) [DyLight 550]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 317809                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | DyLight 550                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                                                                                                          |
| Gene ID                 | 9210                                                                                                                                                                                                         |
| Gene Symbol             | BMP15                                                                                                                                                                                                        |
| Species                 | Human                                                                                                                                                                                                        |
| Specificity/Sensitivity | Detects human BMP□15/GDF□9B in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross□reactivity with recombinant human BMP-1.1, -2, -3, -3b, -4, -5, -6, -7, -8, or -10 is observed. |
| Immunogen               | <i>E. coli</i> -derived recombinant human BMP□15/GDF□9B<br>Gln268-Arg392<br>Accession # O95972                                                                                                               |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                            |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
