**FAB2927D**

Calreticulin-2/CALR3 Antibody (321007) [DyLight 350]

| Product Information         |                                                                                                                                       |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                           |
| Storage                     | Store at 4C in the dark.                                                                                                              |
| Clonality                   | Monoclonal                                                                                                                            |
| Clone                       | 321007                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                    |
| Isotype                     | IgG2b                                                                                                                                 |
| Conjugate                   | DyLight 350                                                                                                                           |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                                    |
| Product Description         |                                                                                                                                       |
| Host                        | Mouse                                                                                                                                 |
| Gene ID                     | 125972                                                                                                                                |
| Gene Symbol                 | CALR3                                                                                                                                 |
| Specificity/Sensitivity     | Detects human Calreticulin-2 in direct ELISAs. In direct ELISAs, no cross-reactivity with recombinant human Calreticulin is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Calreticulin-2<br>Thr20-Leu384<br>Accession # Q96L12                                        |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                     |
| Product Application Details |                                                                                                                                       |
| Recommended Dilutions       | Intracellular Staining by Flow Cytometry, CyTOF-ready                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                |
