**FAB3138M**

Granulysin Antibody (786343) [DyLight 594]

| Product Information         |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.            |
| Storage                     | Store at 4C in the dark.                                                                               |
| Clonality                   | Monoclonal                                                                                             |
| Clone                       | 786343                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                     |
| Isotype                     | IgG2a                                                                                                  |
| Conjugate                   | DyLight 594                                                                                            |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                             |
| Buffer                      | 50mM Sodium Borate                                                                                     |
| Product Description         |                                                                                                        |
| Host                        | Mouse                                                                                                  |
| Gene ID                     | 10578                                                                                                  |
| Species                     | Human                                                                                                  |
| Specificity/Sensitivity     | Detects human Granulysin in sandwich ELISAs.                                                           |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Granulysin<br>Arg23-Leu145<br>Accession # P22749 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                      |
| Product Application Details |                                                                                                        |
| Applications                | ELISA                                                                                                  |
| Recommended Dilutions       | ELISA                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                 |
