| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                                                                     |
| Isotype                     | IgG1                                                                                                                                                                                                                                                                                   |
| Conjugate                   | Biotin                                                                                                                                                                                                                                                                                 |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                                                                                                                        |
| Host                        | Mouse                                                                                                                                                                                                                                                                                  |
| Gene ID                     | 6356                                                                                                                                                                                                                                                                                   |
| Gene Symbol                 | CCL11                                                                                                                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human CCL11/Eotaxin in ELISAs and Western blots. In Western blots, this antibody does not cross-react with recombinant human CCL1, 2, 3, 4, 5, 7, 8, 9/10/MIP-1 $\gamma$ , 14, 17, 19, 20, 21, 25, recombinant mouse CCL2, 3, 4, 5, 6, 7, 9/10/MIP-1 $\gamma$ , 11, 21, or 25. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human CCL11/Eotaxin<br>Gly24-Pro97<br>Accession # P51671                                                                                                                                                                                           |
| Product Application Details |                                                                                                                                                                                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry, Dual RNAscope ISH-IHC, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair), Neutralization                                                                                               |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, ELISA Standard (Matched Pair), Neutralization, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), Dual RNAscope ISH-IHC                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                                 |
