| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                                                                               |
| Isotype                     | IgG3                                                                                                                                                                                                                                                                                             |
| Conjugate                   | Janelia Fluor 669                                                                                                                                                                                                                                                                                |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                                                                                                                                  |
| Host                        | Mouse                                                                                                                                                                                                                                                                                            |
| Species                     | Multi-Species                                                                                                                                                                                                                                                                                    |
| Specificity/Sensitivity     | Detects Nitrotyrosine adducts on proteins in Western blots. It does not cross-react with phosphotyrosine or 4-hydroxynonenal adducts. Unfixed cells, tissues, and proteins can be treated with Peroxynitrite (Catalog # <a href="#">AR006</a> ) for use as positive controls with this antibody. |
| Immunogen                   | Nitrotyrosine-modified KLH                                                                                                                                                                                                                                                                       |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                                                                                            |
| Product Application Details |                                                                                                                                                                                                                                                                                                  |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                                                                                                                                                                |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                                           |
