| Clone                       | 433113                                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                       |
| Isotype                     | IgG2a                                                                                                                                                                    |
| Conjugate                   | PE                                                                                                                                                                       |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                               |
| Buffer                      | PBS                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                          |
| Host                        | Rat                                                                                                                                                                      |
| Gene ID                     | 7187                                                                                                                                                                     |
| Gene Symbol                 | TRAF3                                                                                                                                                                    |
| Species                     | Human, Mouse, Rat                                                                                                                                                        |
| Specificity/Sensitivity     | Detects endogenous human, mouse, and rat TRAF-3 in Western blots. In Western blots, this antibody does not cross-react with recombinant human TRAF-1, -2, -4, -5, or -6. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human TRAF-3<br>Met1-Pro543<br>Accession # NP_663778                                                                                 |
| Product Application Details |                                                                                                                                                                          |
| Applications                | Western Blot                                                                                                                                                             |
| Recommended Dilutions       | Western Blot                                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                   |
