| Storage                     | Store at 4C in the dark.                                                                                                                                                                |
| Clonality                   | Monoclonal                                                                                                                                                                              |
| Clone                       | 341320                                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                      |
| Isotype                     | IgG2b                                                                                                                                                                                   |
| Conjugate                   | PerCP                                                                                                                                                                                   |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                              |
| Buffer                      | PBS                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                         |
| Host                        | Mouse                                                                                                                                                                                   |
| Gene ID                     | 3320                                                                                                                                                                                    |
| Gene Symbol                 | HSP90AA1                                                                                                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human, mouse and rat HSP90 in direct ELISAs and Western blots. Reacts with both recombinant human HSP90 $\alpha$ and HSP90 $\beta$ isoforms in direct ELISAs and Western blots. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human HSP90 $\beta$<br>Met1-Asp724<br>Accession # P08238                                                                                            |
| Product Application Details |                                                                                                                                                                                         |
| Applications                | Western Blot                                                                                                                                                                            |
| Recommended Dilutions       | Western Blot                                                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                  |
