**FAB33191H**

Vasohibin Antibody (411208) [HRP]

| Product Information         |                                                                                                             |
|-----------------------------|-------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                 |
| Storage                     | Store at 4C in the dark.                                                                                    |
| Clonality                   | Monoclonal                                                                                                  |
| Clone                       | 411208                                                                                                      |
| Preservative                | No Preservative                                                                                             |
| Isotype                     | IgG2b                                                                                                       |
| Conjugate                   | HRP                                                                                                         |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                  |
| Buffer                      | PBS                                                                                                         |
| Product Description         |                                                                                                             |
| Host                        | Mouse                                                                                                       |
| Gene ID                     | 22846                                                                                                       |
| Gene Symbol                 | VASH1                                                                                                       |
| Species                     | Human                                                                                                       |
| Specificity/Sensitivity     | Detects human Vasohibin in direct ELISAs and Western blots.                                                 |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Vasohibin isoform 1 Pro2-Val365<br>Accession # Q7L8A9 |
| Product Application Details |                                                                                                             |
| Applications                | Western Blot                                                                                                |
| Recommended Dilutions       | Western Blot                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                      |
