CD200R1 Antibody (380529) [DyLight 755]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 380529                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | DyLight 755                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                             |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                       |
| Gene ID                 | 131450                                                                                                                      |
| Gene Symbol             | CD200R1                                                                                                                     |
| Species                 | Human                                                                                                                       |
| Specificity/Sensitivity | Detects human CD200 R1 in direct ELISAs. In direct ELISAs, no cross-reactivity with recombinant mouse CD200 R1 is observed. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant human CD200 R1<br>Ala27-Leu266 (predicted)<br>Accession # NP_620161         |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                           |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunocytochemistry                                                    |
| Recommended Dilutions       | Immunocytochemistry                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
